

## SUMMER Full Moon Alpine Photography Tours

Enjoy a 2 or 3 day walk with Mike and camp overnight to experience the beautiful alpine environment by moonlight. Alpine photography as an art form will leave you inspired. Location will be advised closer to the date to take advantage of weather and other conditions.

### What to bring:

- Overnight pack and pack liner (or waterproof rain cover) \*
- Sleeping bag (-5 degrees) & sleeping bag liner \*
- Sunglasses & sunscreen
- Tent (good quality) \*
- Sleep mat \*
- Toiletries (including toothbrush, toothpaste etc)
- LED head and new batteries
- Walking poles (optional) \*
- Water bottle – 1 litre capacity
- Knife, fork, spoon, plate, mug (lightweight and durable)
- Extra garbage bag, two waterproof lightweight shopping bags and two extra ziplock bags

### What to wear:

Wearing layers is a good idea, especially light weight/quick dry gear that packs small and can be put on/off easily if the weather changes during the day.

- Beanie
- Race washer/towel (chux are a good lightweight alternative)
- Gloves - one pair of waterproof gloves and one pair of warm thermal gloves \*
- Jacket – down, primaloft or heavy fleece
- Rain jacket & rain pants (Goretex or equivalent) \*
- Sun shirt - lightweight long sleeves
- Waterproof hiking shoes
- Long pants for walking (and/or shorts with light weight thermals or running tights)
- Socks light (hiking) and thermal socks thick (night time)
- Sun hat/cap
- Thermal - long pants, T shirt and long sleeved top (polypropylene or wool)
- Underwear

### Camera gear

Bring your camera, tripod, memory card/s and 2-3 charged batteries

### Meals

All meals can be included for \$20 per person per day. Alternatively, you can bring your own cooking equipment and food.

### Equipment

Items marked with an \* can be hired if you don't have them.

### Transport & Parking

I can give two clients a lift from Jindabyne were they can park into Kosciuszko National Park in my car as required.
