

## WINTER Full Moon Alpine Photography Tours

Enjoy a 2 or 3 day snowshoe with Mike and camp overnight to experience the beautiful alpine environment by moonlight. Alpine photography as an art form will leave you inspired. Location will be advised closer to the date to take advantage of weather and other conditions.

### What's included:

Mike will safely take you into Kosciusko National Park for a truly fun experience snow camping amongst the snow gums. Snowshoes are included.

### What to wear:

Wearing layers is a good idea, especially light weight/warm/quick dry gear that packs small and can be put on/off easily if the weather changes during the day (no cotton).

- Waterproof jacket with a hood and over pants (Goretex or equivalent)
- Waterproof gloves x 2 pairs
- Thermal/woollen gloves x 1-2 pairs
- Beanie
- 2 pairs of warm thermal socks
- Sun hat and sunglasses
- Thermals - long pants, T shirt and long sleeved top (polypropylene or wool)
- Jacket – down, primaloft or heavy fleece
- Ski pants (water resistant and thermal/insulated)

### What to bring:

- Cross country or alpine touring skis, stocks and boots / or snowshoes \* Mike will advise the best ski equipment to hire or discuss the gear you've got
- Overnight pack (60L) and pack liner (or waterproof rain cover) \*
- Winter down sleeping bag \* (-10 degrees) & sleeping bag liner \*
- Winter sleep mat (thermarest/exped or similar) \*
- LED head torch and fresh batteries
- 4 season tent \* (sharing is optional)

### Camera gear

- Camera, tripod, memory card with 2-3 fully charged batteries

### Other

- Sunglasses
- Sunscreen and lip balm
- Personal medications
- Food (if you're bringing your own)
